RSOSC Staff Appreciation

Superstar of July 2022

Smriti has been a great addition to our team and it has been a pleasure watching her grow since she started at our centre as a Norquest Practicum Student. Smriti is dedicated to her work and displays a genuine interest in children as well as their activities. She is a great team player, flexible, willing to work between locations and is comfortable working with a variety of different age groups. Smriti is ready and eager to learn and take on new task as needed. We are very fortunate to have Smriti as a part of our team and thank her for all her for everything that she does to help make the centre a safe and enjoyable place for the children.
