Reminder About Special Treats

Please make sure to check that special Halloween candy & treats that are being packed in children's lunch kids do not contain nuts, since we have children who have life threatening allergies to nuts who are attending the program.

Also, if you can please try to limit the quantity of special treats like Halloween candy that children are bringing with them to OSC. We know children are excited about their Halloween treats and that they will continue to be bringing special treats over the week and request that these items be packed in moderation.

IMPORTANT DOOR SAFETY REMINDER

We would like to remind all parents not to open the main entrance doors to let in other parents. Please wait for our staff to open the door, so they can verify the individual before letting them into the building. Thank you for your cooperation.

Reminders

If your child will be absent, please ensure you notify the centre in advance. We will expect all children to be attending each day unless notified otherwise.

When notifying the centre of your child being sick, please state what your child's symptoms are to the staff, as per Alberta Health Services standard we need to keep a record.

Please do not let anyone into the centre. It is the responsibility of the RSOSC staff to answer the door to ensure we are aware of all people entering the building.

Please ensure to send your child with appropriate gear for the weather each day. Each child should arrive to the centre every day with clothing appropriate for playing outside everyday.

**As per the Parent Handbook, *"a fee of $2.00 a minute per child will be charged for each minute after 6:00 p.m. that a child remains at the Centre."*

Staff Appreciation for the Month

Zahra has been an important part of our team, since she joined in December 2022. Zahra is ready and willing to help out in whichever room requires additional support. She has also been eager to help to cover any staffing vacancies when they arise. Children enjoy participating in the activities that she plans and her activities encourage children to use their imagination and creativity. She is also good at helping to support each child with making their own individual creations. Zahra also documents the children's learning progress with her documentation and tries to incorporate the principles of the Flight curriculum. We are very fortunate to have a hardworking, dedicated and reliable educator like Zahra on our team.
