Staff Appreciation for the Month

Coral has been a great addition to our team, since she joined in the summer. Coral is warm and friendly towards all children, staff and parents. She also displays a genuine interest in the children and has already built strong relationships with many of the children & the kids enjoy spending time with her. Coral continues to engage their interests by bringing in and providing specific items to match their interests. She has also been flexible with her work schedule and is ready and eager to help at the school location anytime when extra assistance is needed. Coral is also a team player and willing to help others whenever it is needed. We are very fortunate to have such a kind-hearted and dedicated educator like Coral on our team.
